

Project Location:

Easons
O'Connell Street
Dublin

Architect:

Easons
Direct In-House
Project Management
Team

Programme:

6 Weeks

Value:

€175,000.00

Description:

The O'Connell Street store is the flagship store of the Easons chain. Parkgrove were contracted to refurbish the store to give it a more contemporary look.

All works proceeded outside of normal working hours ensuring no disruption to the clients normal trading operations. A site specific Project Management System was implemented with the emphasis placed on a continuous cleaning programme to facilitate a successful daily handover with the shop remaining fully open and operational.
