Programme:
4 months

Value:
€240,000.00

Description:

G-Star Raw is a Dutch clothing label which is regarded as one of the major international fashion brands. Parkgrove were contracted to fit-out the brand's Irish headquarters with showroom.

As all works were carried out within the environs of Dundrum Town Centre, the largest shopping centre in Ireland, a project management system was implemented to ensure that there was no disruption to the normal operations of the Town Centre.

G-STAR RAW
